

SLBGU100

Circular straight silencer with baffle

Circular straight silencer with baffle SLBGU100

Description

Fire classes without protective distance: EI 15, E 60

Fire classes with protective distance to
(According to Swedish regulations):

evacuation person:
2,5 kW/m² EI 60 at distance 50 mm (Ø<400)
EI 30 at distance 50 mm (Ø<800)
EI 60 at distance 500 mm (Ø>400-800)

combustible materials:
10 kW/m² EI 60 at distance 50 mm

Circular straight silencer with 100 mm insulation provided with 100 mm thick baffle. This gives very good attenuation across the entire range. Used when the acoustic requirements exceed the performance capabilities of the SLGU.

Specially suitable for the large dimensions.

Tested according to ISO 7235 standard.

Special materials and sizes, please contact Lindab sales.

To select the appropriate silencer and optimize connection size and length for the best performance you can use our online tool lindQST or our free to download software DIMsilencer.

Order

Example: SLBGU - 315 - 1200 - 100

Dimensions and sound data

Ød _{1 nom} [mm]	l _{nom} [mm]	Insertion loss [dB] for centre frequency [Hz]								Ødy [mm]	m [kg]
		63	125	250	500	1k	2k	4k	8k		
315 *	900	6	9	20	34	39	44	34	22	510	25,5

Good Thinking

At Lindab, good thinking is a philosophy that guides us in everything we do. We have made it our mission to create a healthy indoor climate – and to simplify the construction of sustainable buildings. We do that by designing innovative products and solutions that are easy to use, as well as offering efficient availability and logistics. We are also working on ways to reduce our impact on our environment and climate. We do that by developing methods to produce our solutions using a minimum of energy and natural resources, and by reducing negative effects on the environment. We use steel in our products. It's one of few materials that can be recycled an infinite number of times without losing any of its properties. That means less carbon emissions in nature and less energy wasted.

We simplify construction
